BIOGRAPHY

Nemesis creates and performs high-energy Hardcore with distorted kicks, energetic melodies and rhythmic vocals. His productions combine old school hardware influence with modern software to create a next-generation Hardcore sound. During DJ sets, expect exclusive mash-ups, remixes and classic Hardcore tracks reworked with his own productions for a unique, intense and crowd-focused set.

TECHNICAL ADVANCE NOTES

Final production details should be confirmed per event. Please provide stage setup, mixer/CDJ situation, stage contact, timetable, load-in details and any technical restrictions during the booking process.

- Professional DJ setup to be confirmed before show
- Clear stage contact and timetable required
- Travel and accommodation details to be agreed during booking
- Logo and press photos available through the EPK page

PROMOTER COPY

Rotterdam based Hardcore DJ and producer Nemesis delivers high-pressure Hardcore sets built on distorted kicks, energetic melodies, rhythmic vocals, exclusive edits and crowd-focused momentum.
